

# HEI: Quality Assurance Partnership

[www.capability-360.com](http://www.capability-360.com)

The logo consists of four overlapping, curved shapes in purple, orange, green, and teal, arranged in a circular pattern.

Capability360

 Capability360

### Why a Quality Assurance partnership with Capability 360?

1. QA is complex and time consuming, a partnership with Cap 360 will give your lecturers and assessors more time to focus on your core business.
2. No additional staff required.
3. No increase in workload.
4. No bias / conflict of interest.
5. Easily Scalable: if you are looking to expand your provision you will not need to expand your quality team.

We can offer our partners Quality Assurance support in two areas:

**1. Compliance with Ofsted and the ESFA (QA support from onboarding through to offboarding)**

**2. Compliance with IfATE and OfS when making assessment decisions (Integrated EPA support)**

The logo for Capability360 is centered within a large, light gray circle. The logo consists of a stylized icon on the left, made of three overlapping curved shapes in purple, orange, and teal. To the right of the icon, the text "Capability360" is written in a black, sans-serif font. A thick green curved bar is positioned at the bottom right of the gray circle, and a small gray circle is located at the bottom center of the gray circle.
